That it be an instruction to the new Committee, to enquire into the alleged roughness and uncourteous behaviour of the Resident Surgeon to the patients generally, and to the charges made by Dr. Pincott, and more particularly in reference to a written charge by James Wilson, of neglect, and unnecessary abuse; and to report the result of such enquiry, to a Special Meeting of Subscribers, to be called within a month from this date. (Carried.)

A vote of thanks was accorded to the Chairman, and the Meeting broke up.

**Proceedings of a Special Meeting of Subscribers, held
at the Institution, on Friday, 14th February, 1868.**

HIS WORSHIP THE MAYOR OF GEELONG,
IN THE CHAIR.

The Chairman explained that the Meeting had been called in accordance with a resolution passed at the Annual Meeting, to hear a Report from the Committee on the result of the investigation of certain charges made by Drs. Day and Pincott against Mr. Reid, the Resident Surgeon.

The Report, after stating how the investigation had been conducted by the examination of witnesses, in support of the charges, and rebutting testimony adduced by Mr. Reid, embodied the following resolution:—

That the Committee are unanimously of opinion that the charges against Mr. Reid have not been substantiated, and your Committee cannot allow this opportunity to pass, without giving expression of their feeling of undiminished confidence in the zeal and ability of Mr. Reid, the Resident Surgeon.

REV. ASTLEY COOPER, moved, and

MR. HENRY MEAKIN, seconded—

That the report and finding of the Committee be approved and adopted.

After some discussion the motion was put by the Chairman. There being no amendment, he declared the motion carried, by forty-seven voting for it, and none against it.

The Meeting then broke up.

SIXTEENTH ANNUAL REPORT
OF THE
COMMITTEE OF MANAGEMENT
OF THE
Geelong Infirmary and Benevolent Asylum,
1867.

The Committee report that during the past year the Institution has continued to minister relief to a very large number of persons, who have found it necessary to seek its aid, in a manner which must be satisfactory to all.

There have been admitted during the year, 746 in-patients and 27 inmates of the Benevolent Asylum; which, added to the number remaining at the end of 1866, viz., 91 patients, and 65 inmates, gives a total of cases treated in the House of 929. 1,630 Out-patients also received medical and surgical advice and medicines. In all, 2,559 cases have received the benefits of the Institution during the year. Of the 837 in-patients, 89 died, 748 were discharged cured or relieved, and 89 remained at the end of the year. Of the 92 inmates, 12 died; 35 left of their own accord, and 45 remained. Thus 181 remained in the house on 31st December.

The daily average number in the Home has been 154-25.

The principal cases treated have been—Contusions, 36; Fractures, 48; Typhoid Fever, 26; Consumption, 49; Rheumatism, 102; Ophthalmia, 38; Wounds, 33; Phlegmon 28; Pneumonia, 13; Paralysis, 15; Stricture, 15; Bronchitis, 18; Cancer, 15; &c., &c. The deaths have been from—Consumption, 24; Bronchitis, 3; Typhoid Fever, 10; Cancer, 5; Heart Disease, 5; Pneumonia, 2; Fractures, 6; Burns, 2; Congestion of Brain, 2; Dysentery, 3; Wounds, 3; &c., &c.

While mentioning the treatment of cases, the Committee refer with regret to a burden which is imposed on this Institution by residents of other districts where Hospitals exist, coming, or being sent to Geelong for change of air, and finally, when death is certain, being recommended for admission to the Hospital. The Committee have, in their discretion, from time to time refused admission to patients from other districts, but it has been impossible, for humanity's sake, to do so in all cases.

Of the patients admitted during the year, 308 were of the Church of England; 265 Roman Catholics; 109 Presbyterians; 55 Wesleyans; 12 Lutherans; 8 Baptists; 6 Independents; 3 Chinese, 1 Jew, and the remainder unknown.

275 were natives of England; 239 Ireland; 110 Victoria; 82 Scotland; 9 Wales; 8 Germany; 8 Switzerland; 4 Tasmania; 3 Prussia; 3 China; 4 born at sea; 6 France; 2 Newfoundland; 1 Portugal; 1 Norway; 1 Canada; 1 Holland; 1 Jamaica; 1 America; 1 Denmark; 1 Sweden; 1 Austria; 1 Cape of Good Hope.

The receipts from subscriptions have been of the usual satisfactory character, enabling the Committee to claim the whole of the promised Government-grant. But the Committee regret that this latter, owing to the political crisis, has been unavailable, so that it has been necessary to obtain an overdraft from the Bank of Australasia of £1,360 14s. 6d., besides leaving unpaid accounts, amounting to £220 11s. 11d. The Committee have to thank the authorities of the Bank for enabling them to continue to the present time to receive the full compliment of patients. But it is manifestly impossible that this assistance should be much longer continued. There is now £2,000 due by the Government, which would meet the liabilities if it were obtainable.

The new Ward was completed, and occupied at the beginning of the year, and a marked improvement in the facility for treatment of patients with successful results, was the immediate consequence of the doing away with the overcrowding of the wards.

The usual statistical and financial information will be published with this report, and the committee do not think it necessary to add more than that Drs. Shaw, Mackin, and ~~Walshe~~ Walshe, have rendered such effectual service, as Honorary Medical Staff, as to entitle them to the thanks of the Committee and the Subscribers. They offer themselves for re-election.

With regard to the Salaried Officers of the Institution, the Committee have but to re-echo the report of last year, which was expressive of the utmost satisfaction at the manner in which the several Officers have discharged their duties.

22nd January, 1868.
