TWENTY-FIFTH ANNUAL REPORT

OF THE

G E E L O N G

Infirmary and Benevolent Asylum, (Incorporated.)

THE Committee beg to lay before the Subscribers and friends of the above Institution the 25th Report of the proceedings for the year ended 31st December last.

During the year over 3,500 persons have received aid, viz.—

952 In-Door Patients.
165 Inmates of the Benevolent Asylum.
33 Lunatics on remand.
2384 Out-Door Patients.

Of the Patients in the Infirmary

829 have been discharged.
77 have died.
79 remain.

Of the Inmates of the Benevolent Asylum

54 have been discharged.
22 have died.
89 remain.

Total number remaining 31st December, 1876	..	168
Total number of Out-Door Patients under treatment, 31st Dec.	..	292
The daily average in the House has been	178

The average mortality has been slightly under 9 per cent.

During the year 1876 about one hundred Patients suffering from scarlet fever and erysipelas have been treated in the Hospital, necessitating both male and female wards to be kept continually open.

The religion of those admitted during the year has been—
Episcopalians, 355 ; Roman Catholics, 340 ; Presbyterians, 125 ;
Wesleyans, 98 ; Lutherans, 30 ; Baptists, 25 ; Independents, 17 ;
Greek Church, 2 ; Confucius, 1 ; Calvinists, 1 ; Church of Christ, 1 ;
Total, 995.

The Birthplaces were—Victoria, 313; England and Wales, 269; Ireland, 206; Scotland, 117; Germany, 26; New South Wales, 15; Denmark, 12; Switzerland, 6; Tasmania, 9; Adelaide, 4; Ceylon, 2; America, 2; France, 2; Sweden, 2; Greece, 2; Italy, 2; Fiji, 1; China, 1; Russia, 1; Mauritius, 1; Spain, 1; South Africa, 1. Total, 995.

The financial position of the Institution is satisfactory, considering that over £1,300 has been expended in new buildings, repairs and alterations, improved drainage, &c.

The expense for general maintenance (including salaries and wages) has been less than the preceding year. There has been £108 ls. 8d. expended in purchase of Government debentures, leaving a balance to credit of £276 18s. 9d. The liabilities are £630 17s. 9d., December accounts due.

The amount of contributions from all sources shows a slight increase over the preceding year.

The Committee most gratefully acknowledge the receipt of a sum of £234 19s. 10d. from the Hospital Sunday Fund, and hereby tender their sincere and hearty thanks to the Rev. J. D. Robertson, as the Hon. Sec., for the great interest and trouble he has a second time taken in making Hospital Sunday a success, and to all the various ministers of religion and heads of mercantile firms who took an active part in this movement.

The sum of £40 was also collected on Hospital Sunday in the Roman Catholic Churches, and forwarded direct to the Secretary through the Ven. Archdeacon Slattery, to whom the Committee of the Hospital feel indebted for such liberal support to its Funds.

Legacies from deceased Patients to the amount of £61 8s. 5d. have likewise been received.

During the past year a Sub-Committee was appointed to revise the Rules and Regulations respecting the internal management of the Institution, and such are now printed, and will be submitted for the approval of the Management.

The General Committee, seeing the absolute necessity of increased accommodation and improvements in the kitchen, have erected a commodious scullery and ironing-room above, whereby great facilities are given in the culinary department and laundry, with improved store rooms for provisions, drugs, &c. Extension of the drainage in the yard, also of the water supply over the main and other buildings have been effected. Considerable improvements have been effected in the Out-Patients' waiting-room; also in the hall and passages, whereby in some degree the appearance of the building has been improved. New gas lights have been placed at the entrance, and throughout the whole Institution all the fittings

have undergone a thorough repair. The front outer walls have been pointed, and the triennial repairs and cleaning have been carried out. A new Lodge for a gate keeper has been erected at the entrance in Ryrie Street.

In April last Miss Shaw resigned her position as Matron of the Institution, and Miss O'Meagher, from the Ballarat Hospital, was selected from 18 applicants to fill the vacancy. In the following month Mr. Peterson, from the Children's Hospital in Melbourne, was elected as Dispenser and House Steward, in the place of Mr. Marrison, who had resigned the appointment.

During the past year Mrs. Hitchcock, assisted by other ladies, has successfully established a "Flower Mission" to the Hospital, and weekly bouquets are distributed among the Inmates of the various Wards, which are most gratefully received, and the Committee acknowledge such kind and delicate attention with very much pleasure.

The thanks of the Committee are also hereby tendered to the Clergy of all denominations and other friends who hold services, and give religious instruction to the Patients; also to the generous donors who remember the Inmates by contributions of books, papers, fruit, &c., not forgetting the kind services of the Geelong Young Men's Association and others, who, by entertainments, musical and otherwise, have contributed greatly to the amusement and entertainment of the Benevolent Inmates.

There have been held during the year 17 meetings of the General Committee of Management, besides 77 meetings of the various Sub-Committees. The attendance of members is given on a separate page. The retiring members of the Committee are those appointed since the last Annual Meeting, and are Messrs. A. M. Campbell, C. Caldwell, R. Gillespie, and J. Wighton; together with the Rev. J. D. Robertson and Mr. Connor, who were balloted for with the remainder of those members who had been longest on the Committee.

The Committee has satisfaction in stating that the various departments of the Institution work harmoniously, and that the Officers discharge their duties satisfactorily. They commend the Institution to the Subscribers as one which continues to merit their support, in consideration of the amount of suffering and distress which it is the means of alleviating, and of the Asylum it affords to so many of the aged and destitute who would otherwise be in absolute want.

STEPHEN V. BUCKLAND,

PRESIDENT.
