## The FIFTY-THIRD ANNUAL REPORT of the General Committee of Management.

---

**T**HE Committee of Management of the Geelong Infirmary and Benevolent Asylum have the honour to present their Report and Balance Sheets for the year ended 30th June, 1905, and have much pleasure in congratulating the Governors and Subscribers on the continued efficiency of the Institution during the year.

In addition to the usual cases of Diphtheria and Typhoid Fever admitted Scarlet Fever and Measles developed in the Hospital and had to be treated, although at considerable inconvenience. Fortunately by the exercise of great care the diseases were limited to a few cases, but they emphasized the pressing need of a ward where such patients could be at once taken without the risk of contagion to other non-infectious inmates. It is sincerely hoped that by next year your Committee will be able to report that such a ward has been erected. Details of what has been done and is proposed, are given elsewhere.

**The Work done during the Year.**—The Total Number of Patients treated was 1908, of these 951 were received into the wards. The number of patients suffering from infectious diseases such as Diphtheria, Scarlet Fever, Measles, etc., was 46.

**Out-Door Patients**—Number admitted during the year—Males, 437; Females, 470; Total 957. Number of occasions on which they attended 3710.

The average rate of mortality has been 8.3 for all cases and 7.2 for Hospital In-door Patients. 7 deaths occurred within 24 hours of admission.

The total number remaining in the house on 30th June, 1905, was 172.

**The Amount to Credit of Endowment Fund** is £3894 17s. 6d., and of the Reserve Fund £2019 10s.

**The Government Grant** was further reduced to £2400, this is smaller by £160 than last year and £700 less than the Institution was receiving 4 years ago. The Government aid is yearly becoming rapidly less and your Committee views with alarm the regular fall in this revenue. At the same rate of decrease it will not be many years before it vanishes altogether. Every possible item has been cut down in the past to keep expenses within the income of the Institution, and for every fresh economy another reduction is made in the Grant. Your Committee has never believed in crying out against legitimate reductions whilst it was inevitable, but is now of the opinion that any further cutting down of the Grant will be a serious drag on the steady advance of the Institution.

The knowledge that the Government is constantly reducing the Grant in aid adds considerably to the anxieties of the Management, and fresh avenues for begging money, cap in hand, to carry on with have to be exploited yearly. This should not be necessary for the support of such an Institution as the Geelong Infirmary, and the fact that it has to be done speaks loudly for the necessity of inaugurating some uniform system of obtaining revenue by way of a charitable rate.

welcome help they have given with the sewing during the year. The St. Matthew's Mothers' Union and members of the High Church sewing party are also sincerely thanked for gifts of bed jackets and night gowns, also the Wilson Memorial Sabbath School, per Mr. J. Downie, Superintendent, for the gift of two bed jackets for the use of the patients.

**Entertainments in Aid.**—It is sincerely to be hoped that more help will be given during the coming year in this direction. Only £82 19s. 11d. came into the Institution under this heading, which is a very small sum for the large district succored by the Hospital. With a falling income from the Government subsidy it is important that some other source of revenue be tapped, and this offers a large field for exploiting. To all who have in any way assisted either as performers, promoters or subscribers, the thanks of the Committee are tendered.

**Endowment Fund.**—This has been increased by £300 specially donated by G. A. Stephen, Esq. of Newtown.

**Operating Theatre.**—An increase in the amount of Surgical Work this year is shown by the fact that 205 Operations have been performed as against 164 last year. Of these a large proportion are serious major operations.

**Gift of a Movable Electric Lamp.**—In last year's report the hope was expressed that some benevolent patron would present a Movable Electric Lamp. Mr. Jobbins, the local Manager of the Electric Lighting and Traction Company, on hearing of this offered on behalf of his Company to present one and install same, this he did; a very powerful and useful pair of Movable Electric Lamps were placed in Operating Room and have proved a great boon. Your Committee desires to thank Mr. Jobbins and his Company for their handsome gift.

**X-Ray Apparatus.**—At the request of the Hon. Medical Staff your Committee decided to purchase a complete New Outfit for X-Ray work. The whole apparatus will cost something over £90; but your Committee feels justified in incurring the expense as the old one is worn out and also too small for modern work. The instrument is now on its way from Europe; when it is erected your hospital will be provided with the latest and most up-to-date mechanism available.

**Staff.**—Mr. E. A. Staker was appointed Dispenser and Assistant House Steward in February last *vice* Miss L. Whittle who resigned. Since his appointment he has justified his selection by your Committee.

The Nursing and General Staff have carried out their duties conscientiously and well during the period under review and your Committee duly appreciates the willingness with which work is done.

Our energetic superintendent, through pressure of work, contracted an illness which so affected him, that acting under medical advice he applied for leave of absence from duty; your Committee unanimously granted him the three months applied for, which he spent in a warmer climate on the New South Wales' border, with the result that he has returned with renewed health and vigor.

**Life Subscribers.**—The following have been elected Life Subscribers during the year in recognition of generous personal Donations or for promoting successful Entertainments:—W. H. Reid, Esq. *a/c* W. J. Reid, Esq., donation of £21; Mr. J. Reed, nominated by 8 Hours Committee, donating £20; Jno. Ferguson, Esq., nominated by Morrisons Ball Committee; Mrs. H. M. Hourigan, personal donation of £20

**Life Governor.**—G. A. Stephen, Esq. of Newtown was elected a Life Governor in February, he having given £300 to the Endowment Fund.

**Gift of Ice and Fish.**—The grateful thanks of the Committee are hereby tendered to Messrs. W. Humble and Sons for their unlimited supply of Ice throughout the year, free. Also, for the use of their Cool Chambers on various occasions, gratis. For over eight years Messrs. Humble have supplied the Hospital with Free Ice.

To the Queenscliff Fishermen's Union and the Queenscliff Fishing Company, your Committee's sincere thanks are also tendered. Frequent large gifts of Fish have been received which have been very acceptable to the patients and inmates.

**Votes of Thanks** are hereby tendered to the Ladies' Flower Mission, for supplying cut flowers weekly throughout the year, and to all those societies or individuals who have given or promoted Concerts or Entertainments in aid or for the amusement of patients and inmates, or who have in any way assisted the Institution. To the Press sincere thanks are offered for the manner in which it has at all times assisted and advocated the requirements of the Institution financially; also the proprietors of the following papers:—*Australasian, Argus, Age, Leader, Geelong Advertiser, Geelong Times, Ballarat Star, Ballarat Courier, Messenger, Southern Cross,* and *Advocate*, for the gratuitous supply of their papers, which are much appreciated.

It is impossible to place a value on the great amount of gratuitous services rendered to the Institution and Patients generally by kind hearted and generous men and women. It is also extremely difficult for the Committee to adequately express their gratitude to these unselfish workers in the noble work of charity. For the many and liberal donations of all descriptions received the Committee desire to express sincere thanks.

The Institution's Honorary Solicitor, Mr. W. Higgins and Mr. J. W. Sayer, Hon. Treasurer, are gratefully thanked for their services.

**The Xmas Dinner** was as usual a great event, and a splendid banquet was done thorough justice to by the many who were able to enjoy it. All generous contributors are hereby gratefully thanked. A list of those who subscribed in money or kind is given elsewhere.

**The Honorary Medical Staff** consists of Drs. Newman, Marwood, Kennedy and McCallum, with Drs. Croker and Small as Honorary Consulting Surgeons. The first four now retire, but are eligible for re-election. Their work has been considerably increased, as the table of operations will show, and they have never ceased to give the fullest attention to the many cases they have been called upon to treat. On behalf of the subscribers the thanks of the Committee are tendered to these gentlemen for their gratuitous services to the sick poor, and for the thorough manner in which they have lectured to the training nurses.

During the year Dr. Maxwell, Resident Surgeon, reported to the Committee that his time was too much occupied to permit him to see the out-patients two days per week. Drs. McPhee and Elvins were asked if they would temporarily undertake this work. They very kindly volunteered to do so, and have continued taking the out-patients on these two days ever since. On behalf of the subscribers the thanks of the Committee are tendered to all these gentlemen for their kind attention to the patients during the year.

In September it was found necessary to appoint an Honorary Anaesthetist and an Honorary Skiagraphist. Dr. R. G. McPhee was elected to the former and Dr. H. F. Elvins to the latter position.

**Board of Management.**—Geo. Martin, Esq., J.P., was re-elected President by the subscribers at the last Annual Meeting; J. Nicol, Esq. and C. Shannon, Esq., Vice-Presidents, and J. W. Sayer, Esq., Hon. Treasurer. The Rev. T. Vigis resigned and the Rev. F. Harris was elected by the Managers to fill his seat. A. Vines, Esq. also retired and his place was filled by electing J. Smith, Esq. In accordance with the bye-laws these two gentlemen now retire. The following members of Committee also go out by effluxion of time, having been longest in office:—Rev. W. Williams, Rev. A. Davidson, Dr. J. Small and J. Purdie, Esq. These make the statutory six. They are all eligible for re-election and offer themselves accordingly.

**Committees during the year.**—16 meetings of the General Committee of Management: 51 of the House Committee, and 12 of the Finance Committee have been held. The thanks of the subscribers are due to the members of these Committees for the careful way in which they have managed the Institution.

**Concluding.**—The Committee of Management sincerely hopes that, notwithstanding the extensive help they have had from the public in the past, the future will show an increased interest and income from private sources. This is absolutely necessary if the high state of efficiency which your Committee aims at is to be maintained. As the State aid is becoming so rapidly smaller, public and private help must come to the rescue.

13th July, 1905.

GEO. MARTIN, PRESIDENT.
