## The FIFTY-SIXTH ANNUAL REPORT of the General Committee of Management.

To THE GOVERNORS AND SUBSCRIBERS.

Ladies and Gentlemen,

As those who have had the honor of being entrusted by you with the management of this large and growing Institution we have now the pleasure of rendering you an account of our stewardship for the year ended on the 30th June, 1908.

The year just closed has been a very busy one during the latter half, owing to the number of Typhoid cases nursed which totalled 90, only 4 patients dying, which is a very satisfactory average. The total number of patients passing through the Institution was 2014. Of these 1014 were admitted to the wards.

Out-Door Patients.—Number admitted, Males, 512; Females, 531; Total, 1043. Number of occasions on which they attended, 4882.

The average Rate of Mortality has been 7.1 for all cases, 6.2 for Hospital In-Door Patients. Nine deaths occurred within 24 hours of admission, these cases were hopeless on their arrival. The total number remaining in the Institution on 30th June, 1908, was 149.

The amount to Credit of Endowment Fund is £4360 and of the Reserve Fund £3549 together with £100 part endowment of the Comunn Na Feinne Bed. The Government Grant was £2,500. £16 11s. 6d. was collected in state school's. All who helped are sincerely thanked for their kindness. The following Schools assisted:—

Germantown State School	...	£2	1	0	Breakwater State School	...	£0	10	6
Cargarie State School	...	1	13	2	Drysdale State School	...	1	12	4
Marcus Hill State School	...	1	7	3	Freshwater Creek State School	...	0	13	8
Camperdown State School	...	2	13	10	Gnarwarre State School	...	0	16	6

Visitors Monthly Reports.—Two Members of the General Committee have been appointed monthly throughout the year to inspect and report on the condition and working of the Institution. Their reports always expressed satisfaction.

Infectious Wards.—These were opened officially by the Hon. the Premier, on the 11th March, and named the Queen Victoria Memorial Wards, in the presence of a large and representative number of subscribers to the building who were the guests of the President, Mr. G. Martin.

Several short speeches were made and the Premier in reply to a request from Mr. Martin said that he would give a further £300 to extinguish the debt of £500 owing on the Buildings, etc., if the Committee could raise £200 locally. This was enthusiastically approved by all present. The guests then partook of Afternoon Tea, and a very pleasant function was brought to a close after the Wards had been inspected by the public, many of the guests volunteering their assistance to obtain the amount necessary. Subsequently an active canvas of the district was made and the required £200 raised to claim the Treasurer's promise. The Public and Municipalities giving generously and liberally. In this appeal the Geelong Press took a leading part and it is sincerely thanked for the great assistance rendered. In August the ladies of the town and district headed by the acting Mayoress Mrs. Frank Austin, held a Ball in aid, which was admirably carried out by the Committee and organised by Mr. Neil Campbell assisted by Mr. J. D'Helin. All concerned worked with great interest and enthusiasm, and the splendid result of £228 7s. 10d. was handed over to the Building Fund. To Mrs. Austin, Mr. Campbell, and all those who helped or gave money, kind, etc., your Committee's earnest and grateful thanks are duly tendered. The hope is expressed that a similar Ball in aid might be held this winter. Your Committee look with satisfaction to the completion of this long delayed adjunct to the General Hospital but have still to provide for an efficient circulating hot water service which will cost, it is calculated by the Architects, £206. It must be very gratifying to Dr. J. Small and the gentlemen associated with him to see such an adequate and complete building as a result of the scheme, for it should always be remembered that it was owing to the Doctor's continued advocacy that the wards were ever started. Your thanks are due to him for much time and thought which he has given to bring the buildings to their present state of efficient usefulness. In another part of the report a list is published of those who personally helped with money or kind.

Inspector of Charities Report.—The following are extracted from the Inspector of Charities Report to the Hon. The Treasurer of Victoria commenting on his official visits. Sir—"I have the honor to report having inspected the Geelong Infirmary and Benevolent Asylum. There were on the date of my visit 50 In-patients in the Hospital and 103 Inmates in the Asylum. An amount of £2419 was specially collected and donated last year towards the erection of Infectious Wards. The Municipal Grant was very low, the rate for daily average being £1 13s. 4d. compared with the mean rate of £4 9s. 9d. The local contributions were good however, the rate for daily average being £14 14s. 6d. compared with the mean rate of £13 3s. 6d. There was a large increase in Patients' Contributions.

"There was a debit balance of £612 after allowing for the payment of accounts due at the close of the financial year. The cost per bed during last year was £46 3s. 8d., compared with the mean cost of similar Institutions of £48 1s. 6d. The cost per cent of collections was 14<sup>0</sup>/<sub>100</sub> and the proportion of cost of administration to expenditure and maintenance was 10<sup>0</sup>/<sub>100</sub>. The necessary declarations, etc., in connection with the admission of patients were obtained. At this Hospital special care is taken to prevent imposition, and to obtain contributions from those in a position to pay, with very satisfactory results. The Institution is well and economically managed."

Financial and General.—The revenue for the past year has been well maintained. The Government Grant was £2,500.

The stay of In-patients was 25 days for all cases, which is within the prescribed Government limit.

The expenditure on maintenance shows an increase, which is principally owing to the marked advance in the cost of all provisions and the greater number of patients. The number of Typhoid patients has also helped to swell the total. The daily average occupied beds was 157, and the average cost per bed occupied £32 9s.

Hospital Saturday and Sunday.—£396 15s. was collected. This is a slight increase on the previous year's collection, for which your Committee are very thankful.

To the Churches your Committee tenders their sincere gratitude, also the Geelong Artillery Band.

Included in the above collection is an amount of £23 collected in the town on Saturday by nurses Mockridge, Buckham, Weekly, R. Parry, Z. Parry, Sewell, Anderson, Webb, Tapp and Hill, the Salvation Army Officers also helped, to whom your Committee tender thanks. Messrs. Dalgety & Co., Dennys, Lascelles, Austin & Co., and T. Bostock lent their motor-cars and chauffeurs on the occasion to transport the nurses about quickly. They are hereby sincerely thanked for their kindness.

It would be a great assistance to our nurse collectors if some of the ladies of the town would volunteer to collect on Hospital Saturday, as in Melbourne and other large towns. Up to the present the pressing invitations of the Secretary and Committee to come and help, have not been accepted even in isolated cases.

Entertainments in Aid.—All who have in any way assisted, either as performers, promoters, or subscribers, are thanked for their aid. The sum of £52 was received under this heading. Your Committee regrets that it is not larger.

Special donations have been received from the Executors of the Edward Wilson Argus Fund, £50; Felton Bequest Committee, £15; Major J. C. Bartlett, Prahran, £50.

Your Committee greatly appreciated the valued help received from these generous donors and thanks them for their munificent assistance.

Nurses' Training School.—During the year Nurses Ritchie, Smythe, Tapp, and Sewell passed their final examination. The two former having completed their 3 years training, have left the Hospital. At the expiration of Nurse Hill's training, she was appointed staff nurse for a period of 6 months. Nurses Davies, Arnold and Seward have been accepted for a period of 3 years training.

We would like to place on record the manner in which the Nursing Staff served the Hospital during the very exceptional Typhoid season of this year. The admission of Typhoid Patients was so numerous and so sudden, that it was found most difficult to provide a sufficient increase in the Nursing Staff. While arrangements were being made, the Nurses rose to the occasion and did their duty nobly through a most trying time.

Bequests.—Executors of late Elizabeth Hilson, £42 6s. 3d.; Estate O. Watson, deceased, £20; Estate A. Summerfield, deceased, £10; Estate late Ronald Robb, £25.

Life Subscribers and Governors.—Major J. C. Bartlett, 146 William Road, E. Prahran, donation of £50, Life Governor; Mr. J. Searle, Drysdale, was elected a Governor for 2 years in

March as Executor of the will of the late Mrs. E. Hilson. Mr. J. Hamilton, Lock Street, East Geelong, was elected a Governor for 5 years, as Executor of the will of the late Pauline Ellison. These Executors were elected by the provisions of the recently amended rules, giving greater privileges in this direction. Mr. J. W. Martin, Kilgour Street, Geelong, Life Subscriber on account of £20 donation by the Geelong Eight Hours Anniversary Committee; Mr. Henry Young, Geelong, Life Subscriber, on account of donation by the Geelong Football Club of £25; Mr. Jas. McDonald, Inverleigh, Life Subscriber, on account of donation by Inverleigh Ball Committee of £22 3s. 6d.

Staff.—Mr. G. W. Franklin, Dispenser, resigned in February, and Mr. C. J. Eynon was appointed in his stead. No other changes have occurred.

Medical Staff.—Drs. A. W. Marwood, F. J. Newman, T. J. M. Kennedy and G. McCallum, were re-elected by the Subscribers at the last election, with Dr. R. G. McPhee as Hon. Anaesthetist, and Dr. H. F. Elvins as Hon. Skiagraphist. Drs. J. Small and P. Croker continue to act as Hon. Consulting Officers. They carry out their gratuitous services with commendable zeal and attention to the patients. The Committee's thanks are conveyed to them for their assistance. With the exception of Drs. Small and Croker they now retire, but are all willing to be re-elected and offer themselves accordingly.

Gifts of Ice and Fish.—Messrs W. Humble & Sons again supplied the Institution with Ice and Cool Storage during the whole summer free of charge, and the Queenscliff Fishing Company gave numerous donations of Fish, as also did the local Inspector of Fisheries. The Committee's thanks are herewith conveyed to these kind subscribers. Votes of thanks are hereby tendered to the Ladies' Flower Mission for supplying cut flowers weekly throughout the year; to the ladies of the High Church Working Guild for bed jackets and slippers; to Mr. J. P. Day, Curator of Gardens, for quantity of trees and box plants, etc.; to Committee of Women's Work Exhibition for £33 worth of furniture. Grateful thanks are given to the Press for the valuable and gratuitous assistance it has at all times given to the Institution; also to the proprietors of the following papers for the supply of their respective papers: "Australasian," "Leader," "Weekly Times," "Argus," "Age," "Geelong Advertiser," "Geelong Times," "Ballarat Star," "Ballarat Courier," "Messenger," "Southern Cross," "Advocate" and "Worker." It is extremely difficult for the Committee to adequately express their gratitude to the many unselfish helpers in the work of Charity. For the varied and liberal donations of all kinds the Committee desire to express sincere thanks.

Christmas Dinner.—Messrs. J. Nicol and J. P. McCabe Doyle with the Secretary canvassed the town for donations to the Christmas Dinner, which was generously responded to. The repast which was of the usual bounteous order was done full justice to by the patients and inmates, after which new pipes, extra tobacco and cigars were the order of the day, which had been thoughtfully provided by two kind gentlemen. All who contributed in any way are most heartily thanked. The list of Subscribers is published further on.

Board of Management.—Geo. Martin, Esq., J.P., was re-elected President at the last Annual Meeting. J. Nicol, Esq. and C. Shannon, Esq., Vice-Presidents. J. W. Sayer, Esq., Hon. Treasurer. With sorrow we have to record the death of a respected Member of Committee, the late Rev. J. McTaggart Evans, who took an earnest interest in the Institution. The Rev. Henry Kelly was elected to fill his place. The Rev. J. A. Forrest was elected at the last Annual Meeting to fill the seat rendered vacant by the resignation of the Rev. A. Davidson. It is with regret that your Committee have to announce the fact that Mr. J. W. Sayer who has occupied the position of Hon. Treasurer for many years has signified his intention of not standing for re-election; he has proved himself to be a very indefatigable member of the Committee and his retirement is much regretted. Your Committee desire to thank him for his many services to the Institution. In accordance with the Bye-Laws the Rev. H. Kelly now retires, but is willing to be re-elected. The following Members of the Committee also go out by effluxion of time having been longest in office:—Dr. J. Small, Rev. E. Harris, Messrs. W. W. Bradley, W. Humble, and J. Purdie. They are all eligible for re-election and offer themselves accordingly.

During the year 12 Meetings of the General Committee, 52 of the House Committee and 12 of the Finance Committee have been held.

In conclusion, the Committee of Management hopes that the public will continue to give a generous support to an Institution which aims to help the sick and suffering poor, and to provide a home for those who have none.
