	<i>Mother</i>	STREET, Sarah	<i>Died</i>	abt 1933 - aged 82
	<i>Spouse</i>	BRIGGS, Fletcher - married 1866	<i>Place</i>	Geelong West, Victoria

In 1864 Fletcher married Emma Long.

Her infant daughter died at two days in 1866 and Emma aged 18 also died that year.

He then married her sister Elizabeth and they had ten children born Geelong from 1868 to 1887.

Cemetery records give Elizabeth's age at death as 78 but she must have been at least 82.

No birth record has been located for Elizabeth but two brothers were born

1854 and 1857 Geelong.

Fletcher died in 1916 and is buried with both wives and an infant son.

From Model Borough [Gladys Seaton] 'Earlier this century [20th] and late in the last Briggs brothers [Fletcher and James] had a vegetable garden between Percy and Fyans Sts with frontage to Pakington st. On the west it ran back to Ryan's old sandpit where the council yard is now [yard was in Percy St].

A specially designed horse lorry was used for the door-to-door rounds three times a week'.

James Briggs [d 1921 aged 87] was also married to an Elizabeth [d 1911 aged 86].

Neither family was located in Virginia St about 1892 but Fletcher was listed in Pakington St and James was in Percy St around that time and was still there in 1903.

By then Fletcher was living in Marshall St close to their market garden.

There are two possibilities for this entry -

Hannah (WEBBLEY) BROWN, wife of William is the least likely - she died in June 1891 so it is borderline if she was alive to sign the petition in 1891. At the time of her death her address was given as Brougham Place, Geelong - she also owned this property, so this is definitely the least likely match.

The most likely is Hannah BROWN, unrelated? A William BROWN appears in rate books for Clarendon Street as does the second Hannah who is also in Clarendon Street in 1903 Electoral Roll.

No birth, marriage or death details have been found for the second Hannah BROWN

This entry could be one of a number of women. The initial is unclear; it may be B or it may be something else.

The entry appears to be in the same hand as the following entry No 24, but I could find no link between BUCKLAND, PETERS or PERRY.

BUCKLAND may be a maiden name but I couldn't find any female initial B in the right time frame.

BUCKLAND may be a married name but I couldn't find a Miss B. anything marrying a Mr BUCKLAND in the right time frame.

The initial could be M.
